

1 AN ACT concerning local government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Municipal Code is amended by adding
5 Section 11-1-12 as follows:

6 (65 ILCS 5/11-1-12 new)

7 Sec. 11-1-12. Registered businesses. The corporate
8 authorities of any municipality may establish a registry and
9 require businesses located within the municipality to register
10 with the municipality. An established registry may only include
11 the (i) business owner's name and business address, (ii)
12 business and emergency phone numbers, (iii) e-mail address of
13 the business, (iv) internet website address, and (v) nature of
14 the business. The corporate authorities of a municipality must
15 notify businesses of the registration requirement. If a
16 business has received at least 2 notifications of the
17 registration requirement, then the corporate authorities of a
18 municipality may charge a maximum penalty of \$200 for failure
19 to register with the municipality. If a municipality creates a
20 database containing information from the registry created
21 under this Section, then the database shall be a public record
22 subject to The Freedom of Information Act. This Section does
23 not limit a home rule municipality's ability to license

1 businesses for a fee and enact regulations for that system of
2 licensure.

3 Section 99. Effective date. This Act takes effect upon
4 becoming law.
